DAY II
AVLOKAN 2026

"Think Deep. Research Hard. Present with Confidence."

ABOUT THE EVENT

The Paper Presentation event is a flagship academic competition of AVLOKAN 2026, designed to challenge students in both technical knowledge and innovative thinking. Beginning with a rigorous Quiz Round that evaluates engineering fundamentals, top qualifying teams advance to the Final Presentation Round — where they present research-backed solutions to real civil engineering problems before a panel of faculty and industry judges.

Structural Analysis

Fluid Mechanics

Analytical Reasoning

ABOUT AVLOKAN 2026 — PAPER PRESENTATION

Paper Presentation is a flagship event of AVLOKAN 2026, the annual technical festival of the Association of Civil Engineers (ACE), Department of Civil Engineering, Birsa Institute of Technology Sindri. Held on Day II of the festival, this event challenges participants to apply engineering thinking to real-world problems through structured research and confident presentation. The competition begins with an engaging quiz round evaluating technical understanding and analytical skills — qualifying teams then present solutions to real civil engineering problems, showcasing creativity, research depth, and practical applicability.

AVLOKAN 2026 — THREE-DAY FESTIVAL AT A GLANCE

Day	Event	Description
I	HACKATHON 12-Hour Sprint	Teams build hardware/software prototypes solving one of 44 civil engineering problem statements over 12 continuous hours across 5 thematic tracks. Expert panel evaluates live demonstrations.
II	TECHNICAL EVENTS Paper Presentation · CAD · Quiz	Paper Presentation (this event), AutoCAD Drafting Contest, and Civil Engineering Quiz. Participants demonstrate research depth, domain knowledge, and presentation skills before judges.
III	CULTURAL & VALEDICTORY Fest, Awards & Closing	Achievements celebrated with cultural performances, guest lectures, prize distribution, and the formal valedictory ceremony. Outstanding papers featured in a public showcase.

2 ROUNDS Quiz + Presentation	25 MCQs Round 1 Written	8 QUALIFIERS Advance to Round 2	15 min PER TEAM Presentation + Q&A	100 MARKS Round 2 Score	10k+ PRIZES Awards & Recognition
---	--------------------------------------	--	---	--------------------------------------	---

WHY PARTICIPATE?

Build Research Skills	Industry Exposure	Career Boost	Win Recognition
Structure & communicate complex engineering ideas with rigour, clarity, and confidence before expert judges.	Interact with faculty and industry professionals who provide real-world feedback on your technical approach.	Winners receive industry referral letters, mentorship, and fast-track recognition for career development.	Earn certificates, trophies, cash prizes, and a platform to showcase your innovation to the engineering community.

EVENT STRUCTURE — TWO-ROUND COMPETITION FORMAT

ROUND 1
TECHNICAL QUIZ

Duration: 30 Minutes **Format:** Written MCQ

The competition opens with a 25-question MCQ quiz covering civil engineering fundamentals, analytical reasoning, and current engineering awareness. This timed elimination round determines which teams advance to the main presentation stage.

- KEY DETAILS:**
- 25 MCQs across 3 sections (A: Fundamentals 10Q, B: Applied 10Q, C: Reasoning 5Q)
 - 4 marks per question · No negative marking · Total: 100 marks
 - Duration: 30 minutes strict · No electronic devices permitted
 - Top 8 teams qualify for Round 2 · Tie-break: Section C score, then time
 - Answer sheets submitted as a team · Individual submissions not accepted

ROUND 2
PAPER PRESENTATION

Duration: 15 min / Team **Format:** Live + Q&A

Qualifying teams present original research papers on civil engineering problems before a panel of faculty and industry judges. The emphasis is on technical depth, novelty, practical applicability, and the ability to communicate complex ideas confidently.

- KEY DETAILS:**
- 10-minute structured presentation (minimum 5 slides) + 5-minute jury Q&A
 - Abstract due 7 days before · Full paper (max 8 pages, PDF) due 48 hrs before
 - Similarity index must be below 20% — plagiarism check is mandatory
 - All team members must be present on stage · Language: English
 - Printed copies: 3 required · Strict time enforcement by Chairperson

QUALIFYING TEAMS ADVANCE

QUIZ ROUND — SYLLABUS AT A GLANCE

- Surveying & Geomatics
- Fluid Mechanics
- Structural Analysis
- Geotechnical Engineering
- Environmental Engineering
- Transportation Engineering
- Construction Technology
- Engineering Mathematics
- Current Developments
- Analytical Reasoning

ROUND 1 — TECHNICAL QUIZ: RULES & REGULATIONS

1 Eligibility & Team Composition

- Open to all undergraduate and postgraduate engineering students enrolled in a recognised university.
- Teams: minimum 2, maximum 3 members. All members must be from the same institution.
- Maximum 3 teams per institution. Each participant may represent only one team across all events.
- Valid college ID cards are mandatory at the registration desk. No exceptions.
- Team registration on the AVLOKAN 2026 portal must be completed at least 48 hours before Day II.

2 Quiz Format & Conduct

- 25 MCQs: Section A — Fundamentals (10), Section B — Applied Engineering (10), Section C — Reasoning (5).
- Duration: 30 minutes strictly timed. Latecomers will not be permitted to sit the quiz.
- No electronic devices — mobile phones, calculators, smartwatches — are permitted during the quiz.
- All team members must be seated and ready 5 minutes before the scheduled start time.
- Team answer sheets are submitted together. Individual answer sheets will not be accepted.

3 Scoring & Qualification

- Each question carries 4 marks. There is NO negative marking for incorrect or unanswered questions.
- Maximum score: 100 marks. Team score = sum of all members' scores on the shared paper.
- Top 8 teams by aggregate score qualify for Round 2. In high-participation events, top 40% may qualify.
- Ties broken by: (1) higher Section C score, then (2) faster completion time.
- The decision of the Quiz Coordinator and Organising Committee is final and binding.

HYDRAULICS

STRUCTURES

SURVEYING

ROUND 2 — PAPER PRESENTATION: RULES & GUIDELINES

4 Eligibility for Round 2

- Only teams qualifying from Round 1 (top 8 teams by quiz score) are eligible to present.
- Slot allocation is by draw of lots. Slot order is announced immediately after Round 1 results.
- Teams must submit their presentation file (PPT/PDF) to the event coordinator at least 30 minutes before their slot.

5 Presentation Format

- Presentation time: 10 minutes exactly, followed by 5-minute Q&A. Bell signals mark each period.
- Medium: PowerPoint slides, PDF, poster board, physical model, or prototype demonstration — any format allowed.
- Language: English. Participants may respond to Q&A questions in Hindi if preferred.
- All team members must be present on stage. Absence of any member during Q&A is penalised.

6 Topic Guidelines & Scope

- Topics must address a real-world civil engineering or infrastructure challenge. Cross-disciplinary solutions are encouraged.
- Topics may be drawn from any AVLOKAN Hackathon track or an independent civil/infrastructure problem of the team's choice.
- Research must include original analysis, data, case studies, or simulation. Pure conceptual work without technical backing is penalised.
- Similarity index must be below 20%. Papers failing the plagiarism check will be disqualified without appeal.
- Preferred themes: Sustainable Development, Smart Cities, Climate Resilience, Structural Safety, Water Resources.

7 Academic Integrity & Conduct

- All submitted work must be original. Plagiarism or data fabrication results in immediate disqualification.
- Participants must maintain professional conduct at all times. Disruptive behaviour leads to removal from the event.
- The decision of the Jury Panel and Organising Committee is final, conclusive, and not subject to appeal.

DAY II SCHEDULE — PAPER PRESENTATION EVENT

Time	Activity	Notes
08:00 – 08:45	Registration & Team Verification	Report to event desk with ID cards and paper copies. Registration closes strictly at 08:45.
08:45 – 09:00	Submission Check & Event Briefing	Final paper/abstract verification. Event Coordinator briefs all teams on rules, scoring, and signals.
09:00 ★	ROUND 1 BEGINS — TECHNICAL QUIZ	All registered teams take seats. Mobile phones switched off. Answer sheets distributed.
09:00 – 09:30	Technical Quiz — MCQ Round	25-question MCQ paper. Strictly timed: 30 minutes. No electronic devices permitted in hall.
09:30 – 10:00	Evaluation & Results Announcement	Answer sheets evaluated. Scores compiled. Qualifying teams for Round 2 announced. Presentation order drawn.
10:00 ★	ROUND 2 BEGINS — PAPER PRESENTATIONS	Qualifying teams assemble on stage. Jury panel formally introduced. Presentation order confirmed.
10:00 – 13:00	Paper Presentations — Full Session	Each team: 10-min presentation + 5-min Q&A. 8–12 teams presenting. No interruptions between sessions.
13:00 – 14:00	Lunch Break	Participants may leave venue. Return by 14:00 mandatory for additional presentations if scheduled.
14:00 – 15:30	Jury Deliberation & Score Compilation	Jury finalises evaluation scores. Paper quality review. Marks compiled. Committee confirms awards.
15:30 – 16:00	Results, Prize Distribution & Felicitation	Awards presented. Certificates issued. Group photography. Jury feedback session for all teams.

JUDGING CRITERIA & SCORING RUBRIC

ROUND 1 — QUIZ SCORING

#	Criterion	Marks	Notes
Q-1	Correct MCQ Answer	4 per Ques	All 25 questions carry equal marks
Q-2	Incorrect / Unattempted	0	No negative marking; 0 deducted
Q-3	Team Score	Max 100	Sum of individual member scores on shared paper
Q-4	Tie-breaker	—	Higher Section C score; then faster completion time

ROUND 2 — PAPER PRESENTATION SCORING (100 MARKS TOTAL)

No.	Criterion	Max.	Evaluation Focus
5.1	Technical Depth & Research Q	30	Accuracy, depth of analysis, use of data, field/simulation evidence, references.
5.2	Innovation & Civil Engg Relevan	25	Novelty of approach; direct applicability to the civil engineering domain.
5.3	Presentation Quality & Clarity	20	Slides, language, logical flow, visual aids, time management, structure.
5.4	Q&A Handling & Subject Maste	15	Confidence, correctness, and depth of responses during jury Q&A session.
5.5	Sustainability & Real-World Fea	10	Cost-effectiveness, environmental factors, practical deployment potential.
TOTAL		100	

TIEBREAK: If two teams score equally — (1) higher Q&A marks, then (2) higher Technical Depth score, then (3) jury discretion.
NOTE: Jury decisions are final and binding. Score sheets are not disclosed to participants.

AWARDS & RECOGNITION

Position	Award Title	Prize	Additional Perks
WINNER	AVLOKAN Best Paper Award	■5,000 + Trop	Certificate of Excellence · Fast-track Publication Recommendation · Industry Mentorship
1st Runner-Up	Outstanding Research Award	■3,000 + Trop	Certificate of Achievement · Mentorship Session with Industry Expert
2nd Runner-Up	Distinguished Paper Award	■2,000 + Trop	Certificate of Merit
Best Presentation	Excellence in Communication A	■1,000 + Mem	Special Jury Commendation · Certificate of Excellence in Presentation
Best Innovation	Civil Innovation Impact Award	■1,000 + Plaq	Special Jury Commendation · Certificate
All Qualifiers	Certificate of Achievement	—	Issued by Dept. of Civil Engineering, B.I.T. Sindri
All Participants	Participation Certificate	—	Issued by ACE, B.I.T. Sindri

Note: Prize money subject to sponsorship confirmation. Organising committee reserves the right to revise the prize structure with prior notice.

SUBMISSION CHECKLIST

 Abstract (max 300 words, PDF)

Deadline: 7 days before Day II

 Similarity Index < 20% verified

Deadline: Mandatory check

 AVLOKAN portal team registration

Deadline: At least 48 hrs before

 Full Paper (max 8 pages, A4, PDF)

Deadline: 48 hours before Day II

 3 printed copies + Softcopy .pptx

Deadline: By 08:00 on Day II

 Valid College ID for all members

Deadline: Day II morning

AVLOKAN 2026
